Find the English meanings for the Spanish words below. Write the correct letter on each line.

### Mi clase

La puerta opened and all the estudiantes entered la sala. I was scared. I couldn't find mi pupitre. I asked el maestro, ¿Dónde está mi pupitre? El maestro said, Está next to el pizarrón, near la ventana. "I see it. It has mi nombre on it." I put mi mochila on the back of mi silla. I put mis libros, lápices, papeles, and bolígrafo on la mesa under la ventana. I opened mi cuaderno and put mi tarea in the basket by la pared.
